## CHRISTIAN SUNDAY SCHOOL.

We made a fine showing at Sunday school the past Sunday, there being seventy-two present out of a total enrollment of 110, but we are hoping that the number present will reach the 100 mark tomorrow. In a statement to the Sunday school last Sunday, Dr. Harkey said that our report our school was afflicted with "adultitis," which means that the older folks send the little ones to Sunday school and then loaf around home.

The adult classes show the largest percentages of absentees. We are expecting this record to be changed for the better. Come out and be one of the 100.

The regular monthly meeting of the city council was held in the city hall last night, with Mayor Harris presiding and Aldermen Haswell, Levy, Vick and Wilson present, and Engineer Adams, Chief Clerk Hittle, Electrician Smith, City Secretary Smith and Marshal Conlee in attendance.

The consideration of the minutes of previous meetings was deferred to a special meeting for that purpose.

Quite a number of visitors were present and before proceeding with the regular order of business they were given an opportunity to be heard if they had any business they wished to submit.

A motion was made and carried that the contract with City Electrician Smith be renewed for another year at a salary of \$100 per month.

A request from J. B. Stevenson was read asking the city to lay a sewer line to his residence on North Wheelock street, he agreeing to advance \$500 to be taken out in sewer rentals.

The request was referred to the city engineer to report at the next meeting the cost of installing the line.

The council was then adjourned.

for the work, so that he was willing to again bid on the work. Mayor Harris reported that Carson Brothers of Union Hill, to whom the contract for the work was awarded, had failed to make bond and were thereby disqualified. The city secretary was authorized by the council to advertise for new bids on the work.

Judge J. W. Doremus submitted to the council an ordinance governing jitney service in Bryan, covering all vehicles used as transfers in Bryan.

The ordinance provided that all parties running service vehicles should pay a license of \$50 per year to be paid semi-annually, and that all persons failing to comply with the jitney ordinance should be fined not less than \$10 nor more than \$100.

The ordinance was referred to the ordinance committee to be changed and modified and resubmitted to the council at a later meeting.

The monthly report of Fire Marshal and City Sanitary Inspector John Daily Jr. was read and approved.

VILLA WILL FIGHT  
TO THE DEATH

Recognition of Carranza Will Not Bring Peace as He and Followers Will Fight It Out.

[By Associated Press.]

El Paso, Tex., Oct. 5.—A coalition cabinet of factional representatives was proposed by General Villa today as an alternative to the recognition of General Carranza by the United States.

The recognition of General Carranza, he said, would not produce peace in Mexico, since he and his adherents would fight to the last.

"I shall fight his despotic principles as long as he threatens the poor people of Mexico," he declared. He said he had troops scattered throughout the country.
